From the Budget, I find that no provision has been made for the purpose. I would suggest, however, that the decision to meet the acqn cost out of the donations may be given effect to. That will leave a balance of abt 70,000 Gh. which is likely to be sufficient for all building charges next yr. In 1929-30, we have to provide for both the acqn cost & the contribution of Govt for the building. This will be about Rs. 40,000 also
